Dear Harold

I am coming down to Shrivenham on Wednesday for one night and should like to see you while there and I hear how you have progressed with the cricket arrangements.

Perhaps you have met with some opposition. Would it be as well to summons all the cricketers in the village young and old, and there choose their Committee. I expect Mr Colledge and Mr Arkell would promise to come.

If they graciously consent to my nomination to the Committee the first year I should like to nominate ... Mr Arkell and think that your uncle Mr Leonard Knapp would be a very useful person on the Committee.

Write and tell me what has happened and come and see me about 6 o'clock Wednesday evening if you can. His Lordship wrote to Mr Colledge but has not heard from him yet.

Many ... to you all
