LE TOURET MEMORIAL

Country: France
Locality: Pas de Calais
Identified Casualties: 13393

Location Information

Le Touret Memorial is located at the east end of Le Touret Military Cemetery, on the south side of the Bethune-Armentieres main road.

From Bethune follow the signs for Armentieres until you are on the D171. Continue on this road through Essars and Le Touret village. Approximately 1 kilometre after Le Touret village and about 5 kilometres before you reach the intersection with the D947, Estaires to La Bassee road, the Cemetery lies on the right hand side of the road.

The Memorial takes the form of a loggia surrounding an open rectangular court. The court is enclosed by three solid walls and on the eastern side by a colonnade. East of the colonnade is a wall and the colonnade and wall are prolonged northwards (to the road) and southwards, forming a long gallery. Small pavilions mark the ends of the gallery and the western corners of the court.

Visiting Information

The Panel Numbers quoted at the end of each entry relate to the panels dedicated to the Regiment served with. In some instances where a casualty is recorded as attached to another Regiment, his name may alternatively appear within their Regimental Panels. Please refer to the on-site Memorial Register Introduction to determine the alternative panel numbers if you do not find the name within the quoted Panels.
