

Three photos from 1974/5

Photo 1. The first below is accurately dated as 1974 and was sent to us by Yvonne Maier, now Yvonne Horz-Meisner, from Cologne, who was a pupil at Shrivenham school for one year and came from Hamburg in Germany. She is standing in the second row and is second from the left. Next to her right was Sophie who was half French. What a cosmopolitan time the 1970s were.
